Item 3 Disciplinary Information

Form ADV Part 2B requires disclosure of certain criminal or civil actions, administrative proceedings, and self-regulatory organization proceedings, as well as certain other proceedings related to suspension or revocation of a professional attainment, designation, or license. Mr. Shay Dean Stiers has no required disclosures under this item.

Item 4 Other Business Activities

Licensed Insurance Agent

Mr. Stiers is also separately licensed as an independent insurance agent. In this capacity, he does affect transactions in insurance products for his clients and earns commissions for these activities. The fees you pay our firm for advisory services are separate and distinct from the commissions earned by Mr. Stiers for insurance related activities. This presents a conflict of interest because Mr. Stiers has an incentive to recommend insurance products to you for the purpose of generating commissions rather than solely based on your needs. However, you are under no obligation, contractually or otherwise, to purchase insurance products through any person affiliated with our firm.

Item 5 Additional Compensation

Refer to the *Other Business Activities* section above for disclosures on Mr. Stiers's receipt of additional compensation as a result of her other business activities.

Also, refer to the *Fees and Compensation, Client Referrals and Other Compensation, and Other Financial Industry Activities and Affiliations* section(s) of Preston Advisory Services LLC's firm brochure for additional disclosures on this topic.

Item 6 Supervision

In the supervision of our associated persons, advice provided is limited based on the restrictions set by Preston Advisory Services LLC, and by internal decisions as to the types of investments that may be included in client portfolios. We conduct periodic reviews of client holdings and documented suitability

information to provide reasonable assurance that the advice provided remains aligned with each client's stated investment objectives and with our internal guidelines.
